

Dear Applicant:

Enclosed is a Sue Williams Freedom Fund (SWFF) application packet. In order for your application to be reviewed, please make sure you also include these items:

- *A quote from the vendor indicating the item and its cost
- *A letter from your doctor that the item is related to your disability
- *Income Verification for whole household

Your contribution towards the item depends on the cost of the item:

If the item is less than \$1,500.00, you pay 20% of the cost.

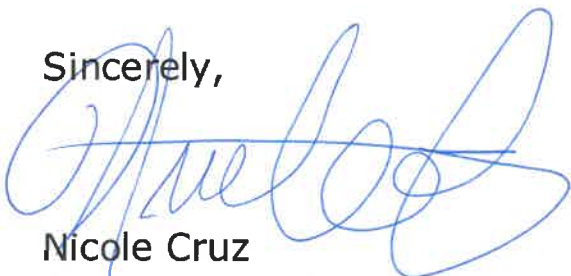

If the item is \$1,500.01 to \$1,800.00, you pay \$300.00

If the item is \$1,800.01 or more, you pay all amounts over \$1,500.00

When your completed application is reviewed, we will let you know the next steps. If you have your portion of the cost, you may be able to get the item sooner. This grant program often has a waiting list, but we encourage you to submit your application. If you have questions, please let me know.

Please feel free to call me at 1-800-639-1522 or directly at 802-224-1825. My email address is nicole@vcil.org.

Sincerely,

Nicole Cruz
